

### Prime Nic Salts - Mango to the Max 25MG 30ML

R220.00

Indulge in the vibrant flavors of the tropics with Prime Nic Salts - Mango to the Max. This 25MG nic salt e-liquid delivers a burst of sweet, fresh, and exotic ripe mango, perfectly complemented by a hint of refreshing ice. Each inhale transports you to a sun-soaked island paradise, tantalizing your taste buds with the luscious essence of freshly picked mangoes.

**Please note that Prime Nic Salts are specially formulated for MTL (mouth-to-lung) and pod systems. We advise against using high nic salts in sub-ohm devices, as it may result in consuming excessive nicotine. If you're unsure about compatibility, we recommend exploring our regular [local](#) or [international](#) juice lines for alternative options.**

Available in a convenient 30ML bottle, Prime Nic Salts - Mango to the Max is your ticket to tropical bliss, offering a delightful vaping experience with a satisfying nicotine kick.

**Features:**

**Brands:** Prime Vape

### Prime Nic Salts - Armageddon 25MG 30ML

R220.00

Indulge in the divine decadence of Prime Nic Salts - Armageddon. This delectable blend features a harmonious fusion of crispy, creamy strawberry biscuit with a hint of sugar, creating a vaping experience that's nothing short of heavenly. With each inhale, savor the perfect marriage of flavors, as every vape delivers an explosion of sweetness and satisfaction. ARMAGEDDON is here to redefine your expectations of strawberry cookie juices, leaving all others in its wake.

**However, it's important to note that high nicotine salts like this should only be used in MTL or pod systems, as they contain higher nicotine levels unsuitable for sub-ohm devices. If you're unsure about compatibility, we recommend exploring our diverse selection of [local](#) and [international](#) juice lines designed for various vaping setups.**

Available in a convenient 30ml bottle with 25mg nicotine strength, Armageddon promises a premium vaping experience that's sure to leave you craving more.

**Features:**

**Brands:** Prime Vape
