### Flavor Profiles:

#### Custard Tobacco

Custard Tobacco offers a unique blend of rich, creamy custard combined with deep, smoky tobacco notes. The custard brings a smooth, velvety sweetness with hints of vanilla and caramel, while the tobacco adds an earthy, smoky complexity. This harmonious combination provides a satisfying, multi-layered vaping experience that balances the indulgent creaminess of custard with the spicy undertones of tobacco.

#### Litchi Raspberry

Escape to the tropics with the exotic fusion of litchi and raspberry. The juicy litchi delivers a delicate, floral sweetness that is both refreshing and vibrant, while the raspberries add a zesty pop of tanginess. Together, they create a bright, fruity vape that's smooth and satisfying—perfect for anyone seeking a balanced yet bold flavor.

#### Frozen Strawberry Lemonade

Experience the refreshing fusion of ripe strawberries and tangy lemon with an icy finish. The initial inhale delivers sweet, juicy strawberries, while the lemon adds a bright, citrusy zest. The exhale introduces a frosty chill that rounds out the flavor, leaving your palate refreshed. Ideal for those who crave a cool, fruity vape experience that's as vibrant as it is invigorating.

#### Frosted Flakes

Inspired by the classic breakfast cereal, Frosted Flakes brings a nostalgic blend of crispy cornflakes with a light sweetness. The frosted coating adds creamy, sugary goodness that balances with the wholesome, nutty notes of cornflakes. This breakfast-inspired e-liquid provides a well-rounded flavor that's sweet, crunchy, and perfect for an all-day vape.

#### Vanilla Cream Coffee

Indulge in the smooth, rich flavor of Vanilla Cream Coffee. This velvety blend combines the robust, aromatic taste of freshly brewed coffee with a smooth, creamy vanilla finish. The coffee delivers a deep, satisfying bitterness, softened by the buttery sweetness of vanilla, creating a harmonious, cozy experience that's reminiscent of a luxurious coffeehouse beverage.

## Shaken MTL/SALT Longfill Aromas

R160.00

### Custard Tobacco

Custard Tobacco blends the rich, creamy taste of custard with deep, smoky tobacco notes. The smooth, velvety sweetness of vanilla and caramel custard contrasts with the earthy, robust tobacco, creating a multi-layered, indulgent vaping experience. Perfect for those seeking a balance between dessert-like richness and the bold, smoky undertones of traditional tobacco.

### Litchi Raspberry

Litchi Raspberry offers an exotic tropical flavor profile, featuring the delicate floral sweetness of juicy litchi, balanced with the zesty tang of fresh raspberries. This fruity fusion delivers a smooth and vibrant vaping experience, making it ideal for those who enjoy bright, refreshing flavors with a touch of tartness.

### Frozen Strawberry Lemonade

Frozen Strawberry Lemonade combines the succulent sweetness of ripe strawberries with the sharp, tangy flavor of lemonade and an icy finish. The inhale delivers a juicy, sweet strawberry flavor, while the tart lemon and cooling exhale leave you feeling refreshed, offering a vibrant, invigorating vape perfect for hot days.

### Frosted Flakes

Inspired by the nostalgic breakfast favorite, Frosted Flakes delivers the crispy, slightly nutty flavor of toasted cornflakes coated in a creamy, sugary sweetness. The frosted coating adds a delightful layer of sugary goodness, creating a well-balanced and satisfying flavor reminiscent of a sweet morning treat. Perfect for an all-day vape.

### Vanilla Cream Coffee

Vanilla Cream Coffee captures the essence of a luxurious coffeehouse experience. The deep, rich bitterness of freshly brewed coffee is balanced by the smooth, buttery sweetness of vanilla cream. This indulgent blend creates a harmonious, cozy vape, ideal for those who enjoy the comforting combination of coffee and dessert flavors.
