

**Hellvape Dead Rabbit Max 28mm RDA (Full Black)**

R650.00

THE HELLVAPE DEAD RABBIT MAX RDA is the latest in the 'DR' series, and it's the biggest at 28mm diameter! If you've been wanting an RDA with a focus on serious cloud production and flavour capabilities incorporating a huge build deck, juice well, squonk ready, and the meanest looking airflow inlet design, then the Dead Rabbit Max takes it to the MAX! The Dead Rabbit Max RDA is a must for any serious vaper's collection, toughest decision is choosing your favourite colour from this outstanding selection.
